

COMMUNITY DIRECTOR UPDATE

DECEMBER 1, 2025

COMMUNITY NEWS

Arnold had an awesome Halloween party this year. A big shout-out to all who participated. The Base Fire Department came out as a special treat for the kids, which was much appreciated. Command and spouses brought treats and helped serve the community residents throughout the afternoon. Each and every resident here is what makes Arnold Family Housing such a special place to live and raise a family.

MAINTENANCE TIPS

With typical Tennessee weather, now is the time to check and refresh your vehicle and home emergency supplies. Ensure you have fresh batteries in case of a power failure, as well as a supply of water and non-perishable food. In your vehicles, ensure you have water and blankets to stay warm in case you get stuck on a trip in frigid weather.

Check your homes to ensure water hoses are not still attached to the spigots on the homes. If it comes to a hard freeze, your spigots could still freeze and burst if they are not properly insulated. You may not know if it has burst until you turn it on later.

HOLIDAY DECORATING

Decorating the home is a long-standing tradition around the holidays, but it is important to practice good safety habits when choosing decorations. In homes with small children, it is important to avoid holiday decorations that are breakable or contain sharp edges. Keep decorations with small parts out of the reach of children and avoid trimmings that look like candy or food, as they may attract extra attention from children. For more holiday decoration safety tips, [click here](#).

Every year, holiday lights should be tested for safety prior to use. If you choose to purchase new lights this year, look for a label indicating that the lights were independently tested for safety. Whether they are new or old, inspect each set of lights for broken or cracked sockets, frayed or bare wires, or loose connections. Be sure to check the [Community Guidelines](#) for guidance on holiday decorations.
